Grant approval 	5	<ul style="list-style-type: none"> Discussed big ideas and how focus will be on #1. The team is okay with not spending too much time on the SIP and Data. Focus will be on grant approval as it comes in during the school year.
Over of SIP/Bylaws	10	<ul style="list-style-type: none"> No need for formalities or to spend time on the bylaws, discussing SIP. Everyone okay with keeping things informal- site council as a way to provide input, feedback.
Weekend Food Pantry	15	<ul style="list-style-type: none"> Sydney contacted some people about it. Cal Young does it, runs it through Methodist Church. Sydney will follow up. Generosity Feeds in Feb. Sydney look into partnering. Even if there is not a Friday backpack idea, even if we had a Pantry available to families. Partner with local churches, Willakenzie?
Fundraising/Project/Other Ideas	12	<ul style="list-style-type: none"> Discussed Ascot Walk and rationale for not having it. Instead the school is focusing on monthly fundraisers through local restaurants and a student vs. staff basketball game. Discussed a "direct ask" in February regarding potential school improvement projects. Sun will keep people informed as he learns more about opportunities and pricing for specific projects. Parents expressed that it's helpful to know what the funds go towards. Brandy expressed the need for the basics- paper, copies, technology, curriculum access, old furniture. As a parent, Sydney responds pretty quickly to basic needs requests.
Working Agreements	5	<ul style="list-style-type: none"> Passed out and discussed. Parents appreciated the document. As a team, we will utilize these as we go through Site Council.
